

Teri Bibb, who played Christine in Broadway’s THE PHANTOM OF THE OPERA, celebrates the songs and stars of Hollywood’s movie musicals. After singing all over the world, including Broadway shows, a command performance at the White House, on ABC’s “Dancing with the Stars,” and on the stages of Radio City Music Hall, Carnegie Hall and London’s Royal Albert Hall, she shares in this tribute her very personal connection to the women who inspired her and helped shape her career. Featuring tunes from classic golden era films sung by Jane Powell, Kathryn Grayson, Judy Garland, Julie Andrews, Shirley Jones and more, this is an evening of glorious singing, stories and a musical surprise or two.
